

Cotrade Challenge Process Timeline

This document outlines the Cotrade Challenge Process, detailing the steps involved in becoming a part of Cotrade's elite network of professional traders. By following this timeline, you can understand how to leverage your trading performance to build wealth and create multiple revenue streams through Cotrade.

Process Timeline

- 1. Submit Verified Trading Broker Statements**
 - Provide your verified trading broker statements demonstrating at least 6% average daily gains.
- 2. Complete Analysis Form**
 - Utilize your trading data to fill out our analysis form, which will allow for a free evaluation of your account performance.
- 3. Qualify for Elite Network**
 - Successfully qualify for Cotrade’s elite network of professional traders based on your evaluation results.
- 4. Account Management Selection**
 - Get selected to manage a fully funded \$10,000 Cotrade account, with the goal of growing it to \$100,000 within 12 months.
- 5. Profit Contract**
 - Sign a contract to receive 12 months of all trading profits generated from your Cotrade account.
- 6. Annual Rinse and Repeat**
 - After the initial 12 months, repeat the process to continue building your wealth.

Building Wealth

- **Replicate Your Cotrade Account**
 - Use 10% of your profits each year to replicate your Cotrade account, effectively doubling, tripling, or even quadrupling your gains.
- **Prove Trading Performance**
 - Demonstrate your trading performance consistently over the next 12 months.
- **Cotrade Subscription Revenues**
 - Cotrade enables everyday investors to mimic your account performance, allowing you to earn a stake in Cotrade's subscription revenues.
- **Multiply Your Wealth**
 - Grow your trading account while also generating income from multiple revenue streams, all facilitated by Cotrade.
- **Focus on Consistency**
 - Concentrate on achieving consistent, reliable gains while Cotrade manages the rest of the process for you.

By following this timeline and leveraging the Cotrade platform, you can position yourself for significant financial growth and wealth accumulation.
